

# Bethany Care Foundation 2014-2015 Summary

Donors are essential partners at Bethany. Like so many organizations, our single greatest challenge is not passion, but resources. This year, over \$620,000 in generous donations were received from individuals, families, organizations and companies that value Bethany as an integral part of their community. Donor gifts secure new technology and tools that enhance resident care and safety. Gardens and bright new furnishings, which make Bethany feel like home, are possible through community donations to each of our sites. Supporter contributions to Bethany's ongoing music therapy and pastoral care programs create special moments for our residents that sustain mind, body and spirit. Every gift makes a difference to the seniors and adults with disabilities that are served by Bethany. Thank you on their behalf.

Donors are essential partners  
care programs create special moments for our residents that sustain mind, body and spirit.

## Moving Forward

In 2015-16 the Foundation is raising funds to support:

- Airdrie – new tub system, tilting shower chair, resident television
- Bethany Riverview - our newest care centre
- Calgary – new tub system, resident television, therapy arm cycle, furniture
- Cochrane – chapel roof, furniture & art
- CollegeSide – blanket/towel warmers, resident television, gardens
- Didsbury – atrium sound system
- Harvest Hills – new tub system
- Sylvan Lake – balcony patio upgrades

### Funds raised by Bethany Care Foundation last year helped support:

- Over 6,900 Music Therapy sessions
- Over 6,800 Spirituality & Pastoral Care visits to long-term care residents & 1,200 visits to families
